

SmartLynk | Warranty

SmartLynk is guaranteed against defects on materials or workmanship for a period of 24 months from the date of purchase to the original purchaser. Please retain your sales receipts as proof of purchase.

The warranty covers parts and labour but does not include batteries or the windsock. The warranty is limited to usage considered reasonable for the purpose the product was intended and designed.

The following clauses apply:

The product is not guaranteed if faults result from improper use (eg; operating misuse, mechanical damage, incorrect operating voltage or incorrect battery replacement) or any modifications by third party or third party products.

All warranty claims are void if the product is tampered with by unauthorised persons.

If you wish to make a claim under the warranty, the customer is responsible for shipment costs to the service centre and damages incurred during such shipment.

A current list of all MyMyk service centres is available on application by emailing info@mymyk.com.
